RE: Ellsworth Industrial Site

Dear Mazin:

We represent the Downers Grove Sanitary District which has been identified as a PRP at the above referenced site. I have discussed this matter with Tom Krueger of your office, and he advised me to send directly to you three copies of the enclosed "Site Investigation Work Plan Downers Grove Sanitary District" prepared by Huff & Huff our consulting expert in this matter. We are providing copies of this report for you to review and distribute prior to our meeting this Thursday afternoon at 2:00 p.m. so that we may discuss it at that time.

We look forward to meeting with you. Please do not hesitate to give me a call if you have any questions regarding the enclosed report.

Very truly yours,

Mark A. Latham
